

OPERATION MEDICINE DROP

“Operation Medicine Drop” will give York County residents the opportunity to rid their homes and medicine cabinets of unused, unwanted and expired medicine.

There’s a party going on in the family medicine cabinet. Unsuspecting parents/grandparents are the host. The guest list is their child and their friends.

A dangerous new trend that experts warn is growing fast among suburban youth and is helping to turn medicine abuse into the No. 1 drug problem in York County.

**December 12
9:00 AM to 2:00 PM**

Locations

**Rock Hill Super Bi-Lo
2186 Cherry Road**

**Fort Mill Bi-Lo
1329 W. Highway 160**

**York Bi-Lo
717 E. Liberty Street**

**Lake Wylie Bi-Lo
158 Highway 274**

**Clover Peoples Pharmacy
134 S. Main Street**

The program will allow York County residents to deliver all of their unused, unwanted or expired medications to law enforcement officials, who can in-turn dispose of these controlled substances in a safe and non-hazardous manner. This initiative will be held in partnership with several Law Enforcement, County and State Agencies, Local Businesses, and Substance Abuse Prevention Organizations.
